# PANTHER

Susie,
I wasn't looking at what you thought, at the football game. You just have to believe me! I'm not that type of person. (HA! HA!) Lets just try to think about something else. OKAY! Your friend

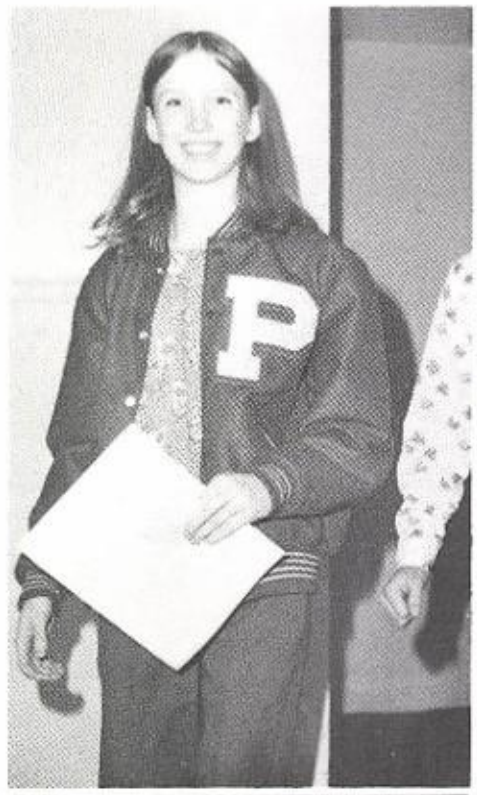
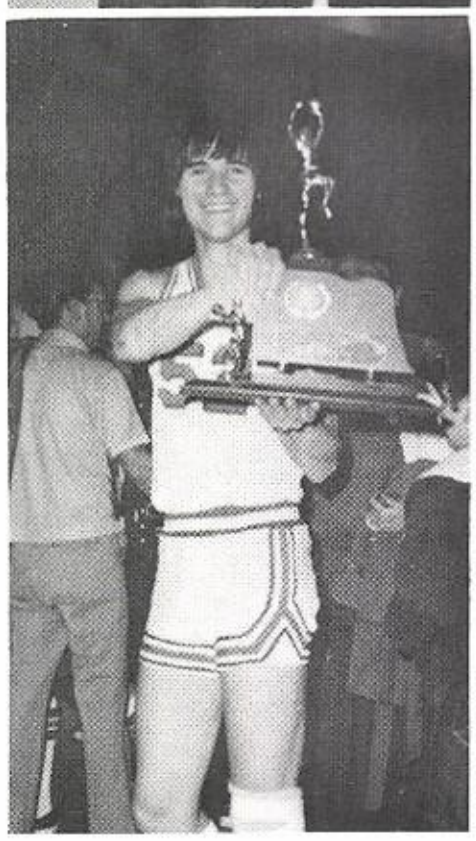
# This Is Today

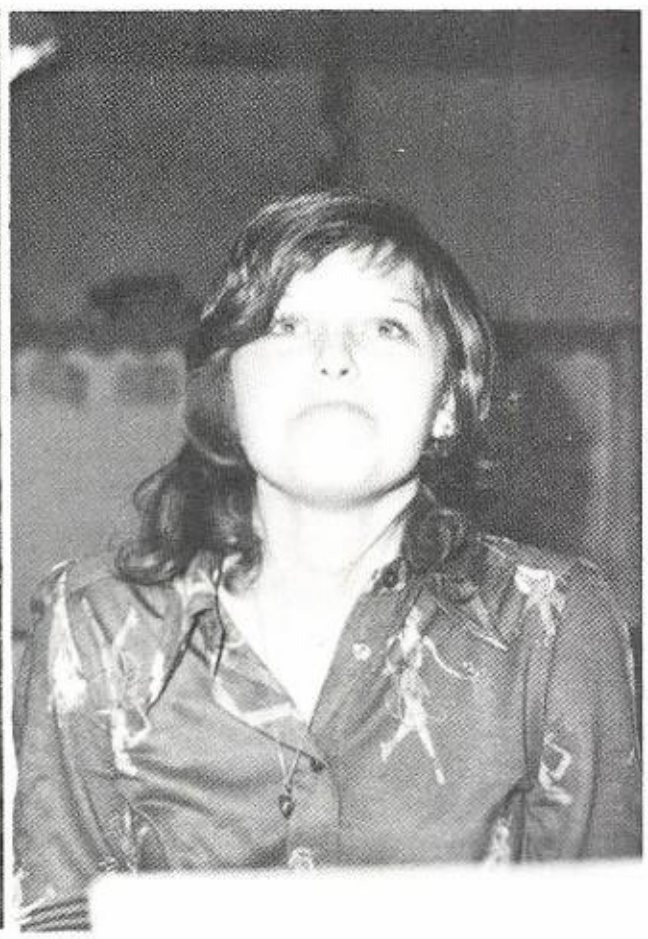
Today is here; I will start with a smile and resolve to be agreeable. I will not criticize. I refuse to waste my valuable time.

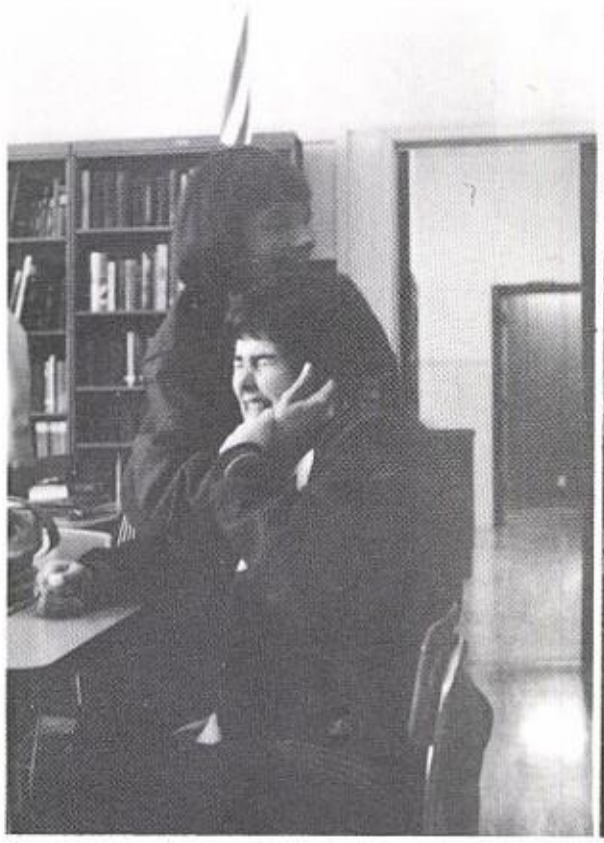
Today is one thing in which I know I am equal with others - time. All of us draw the same salary in second, minutes and hours.

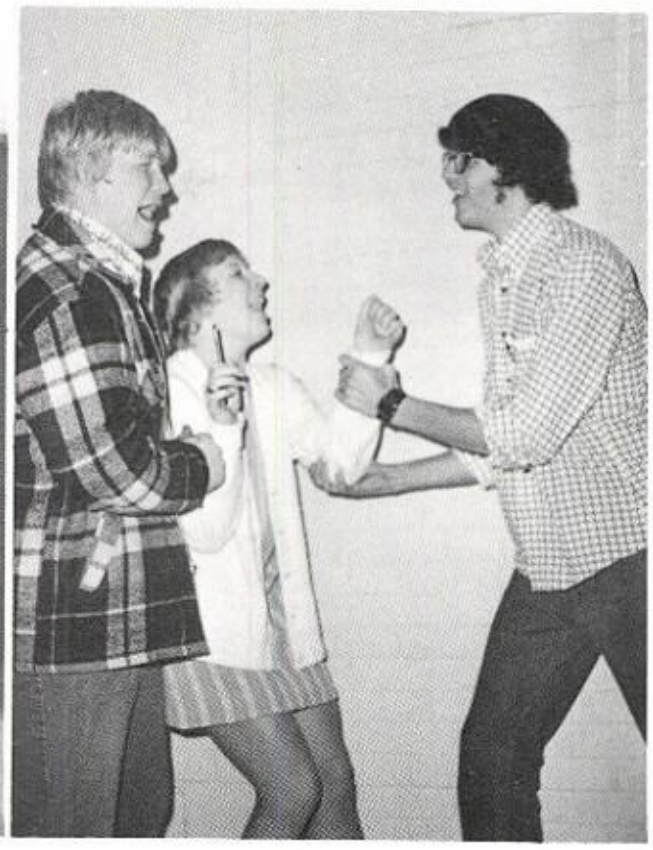
Today I will not waste time, because the minutes I wasted yesterday are as lost as a vanished thought.

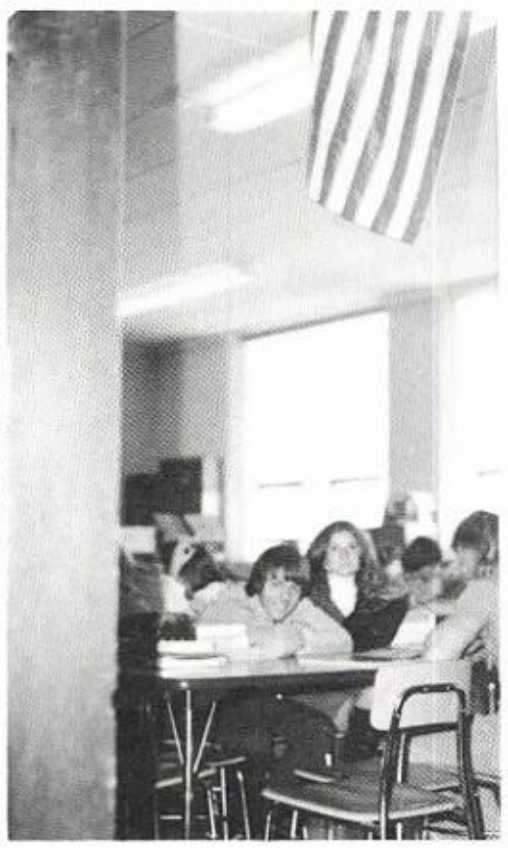










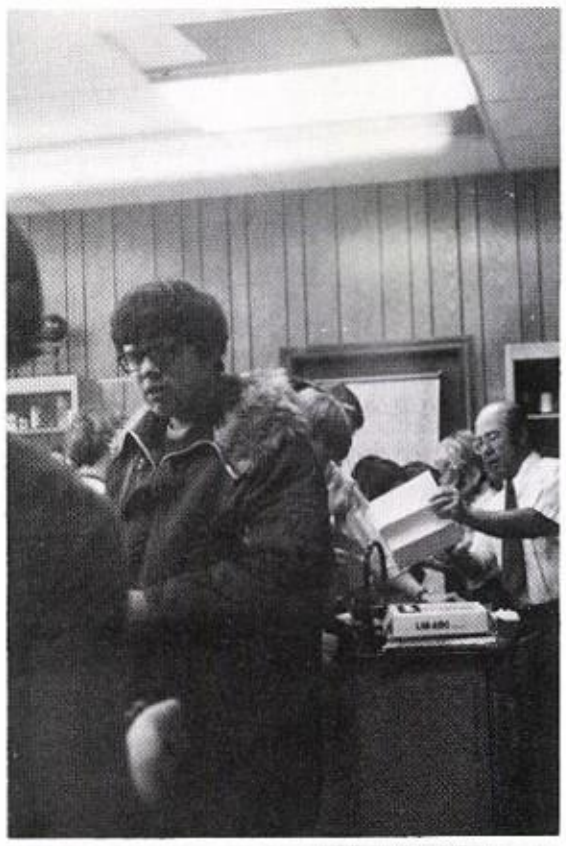


Today I refuse to spend time worryng about what might happen. I am going to spend my time making things happen.

Today I am determined to study and improve myself, for tomorrow I may be wanted and I must not be found lacking.

Today I am determined to do things I should do. I am firmly determined to stop doing the things I should not do.

May I begin by doing and not wasting my time. In one week I will be miles beyond the person I am today.



Today I will not imagine what I could do if things were different, they are not different. I will make success with what material I have.

Today I will stop saying "If I had time;" for I will "find time" for anything - if I want time, I must make it.

Today I will act towards other people as though this might be my last day on earth. I will not wait for tomorrow.

Tomorrow never come.

AMEN.

All-State First Team, Galaxy All-Conference Team: Joni Wilson

Our sport was Volleyball; our record for the Varsity was 18-3 and Reserves 8-1; the sum total of our season was SUCCESS. The Volleyball season was one of many accomplishments and heartbreaks as the girls had their best season ever. The Varsity won three tournaments they participated in: The Syracuse Invitational, the Mudecas Class B Tournament and the Galaxy Conference Tournament, and they placed 2nd in the District Tournament. With hard work, determination and teamwork, the girls took the challenges of winning and turned it into the accomplishment of winning. The girls on the Volleyball team and their coach are proud of their winning season.

The basketball season was very much like a roller coaster ride with many ups and downs. It began on a high with three straight victories before the first low, a loss to Humboldt at the Christmas break. On return from vacation the first opponent was Wilbur, then the number two rated team in the state. A super effort had the Panthers playing the Wilbur team even up to the last minute, then eventually losing by 60 to 52. In the Mudecas tourney, two victories and the third place trophy were brought back to Palmyra. One of the lowest points came with a 90 to 58 loss in the Adams "pit." A brilliant victory came with a 65 to 63 win over another state-rated team, Stella Southeast. This high spot was followed by three straight losses. The Panthers received tremendous team play and great leadership through the District in order to upset Stella Southeast and came back to win over Humboldt in overtime. The season ended with a loss to the eventual State Champions; Louisville. The record for 1974-75 was 13 wins, 9 losses; and of the losses, 6 of them were to rated teams. - Coach Horstman.

FRIENDS WITH YOU

What a friend we have in time,
Gives us children, makes us wine,
Tells us what to take or leave behind.
And the gifts of growing old
Are the stories to be told
of the feelings more precious than gold.

(CHORUS) Friends, I will remember you,
Think of you, pray for you,
And when another day is through,
I'll still be Friends With You.

Baby's days are never long,
Mother's laugh is baby's song,
Gives us all the hope to carry on.

(CHORUS) Friends, I will remember you,
Think of you, pray for you,
And when another day is through,
I'll still be Friends With You.
Friends, I will remember you,
Think of you, pray for you,
And when another day is through,
I'll still be Friends With You.

# Palmyra High And Empty Halls

Palmyra High —
A place where children
Become young adults so
That they can become adults,

A place where accomplishments and
Failures are many and
We learn to accept both,

A collection of memories
Of skipping school,
Heartbreaking romances,
Firecrackers and water pistols,
Airplanes in study hall and
Detentions after school.

Memories of:
Failing a test you really studied for
Or passing one you didn't,
And learning.

It's a place that while you're there,
You can hardly wait to leave.
Yet —
Most return
To stand and stare
Down its
Empty halls.

Sandra W. Leggott
